**For 135 years Parker has continuously built upon a legacy of craftsmanship and quality, making the Parker name synonymous with excellence in Fine Writing.**

Parker has always believed that all great things take time. This ethos began in 1888 with the dream of a 25-year-old entrepreneur, the brand's founder, George Safford Parker, who stated, 'it will always be possible to make a better pen'. This philosophy is well embodied with the Parker Jotter pen. After nine years spent perfecting the research and technology, the iconic Jotter was launched in January 1954. The Parker Jotter has become one of the world's most iconic pens and is still to this day renowned for its style, reliability and functionality, down to its signature click. It has been the everyday writing instrument of choice for generations and remains relevant to the modern consumer 65 years on.
